

# OpenHack User Guide: For Attendees

Welcome Attendees to the OpenHack!

# Introduction

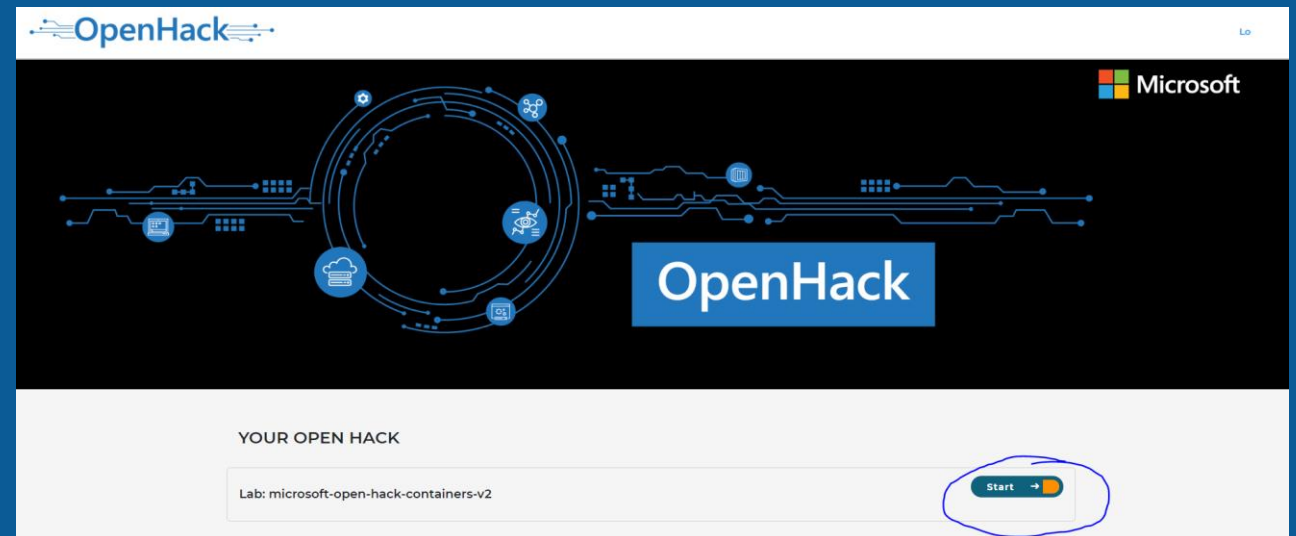

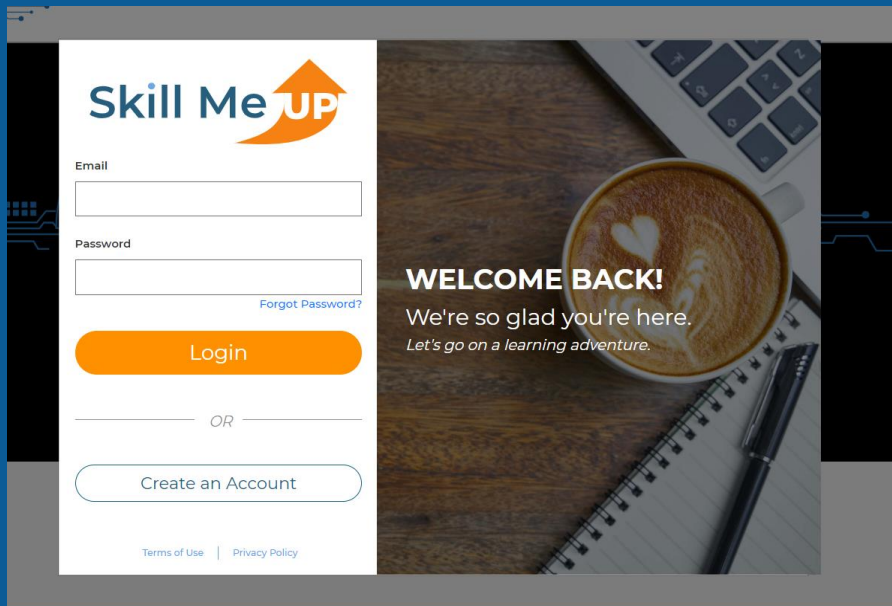

- Logging into the Portal
- Navigating the OpenHack Classroom
- Badges

# Logging into the Portal

# OpenHack Website (Attendee Portal)

- Now you have your credentials for the OpenHack. Congratulations! Let's start hacking!
- Go to the Attendee portal at <https://openhack.skillmeup.com>. Once you are logged in with your credentials, you will see this screen and be able to start the lab.

# Navigating the Cloud Sandbox Classroom

# Automated Message May Pop-up

A message may pop-up with important details. If you click OK before taking down this information - don't worry - you can find it in the **Messages** tab later.

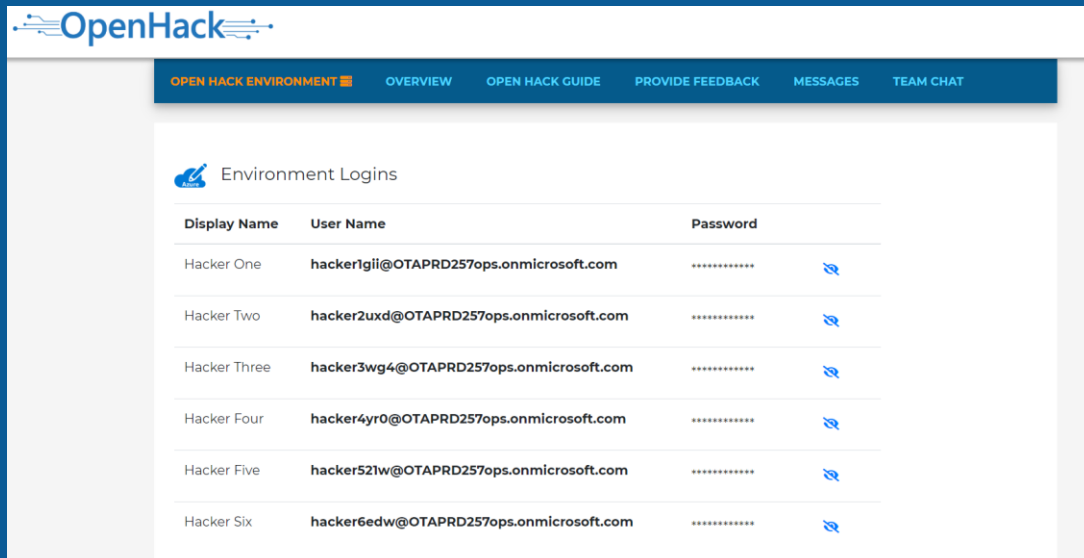

# Sharing Logins with Your Teammates

Your teammates may start to join in on the challenge - please share all below logins with your team (see below image). The first person who signed in can access all of these logins. *All passwords will be the same.*

Use Case Scenario – 5 teammates sit at 1 table and see a table card with 1 login and password. 1 teammate goes to [openhack.skillmeup.com](https://openhack.skillmeup.com) and enters the credentials. They will then see the below image to hand out their teammate's credentials. All teammates will use their chosen credentials and sign-in to [openhack.skillmeup.com](https://openhack.skillmeup.com).

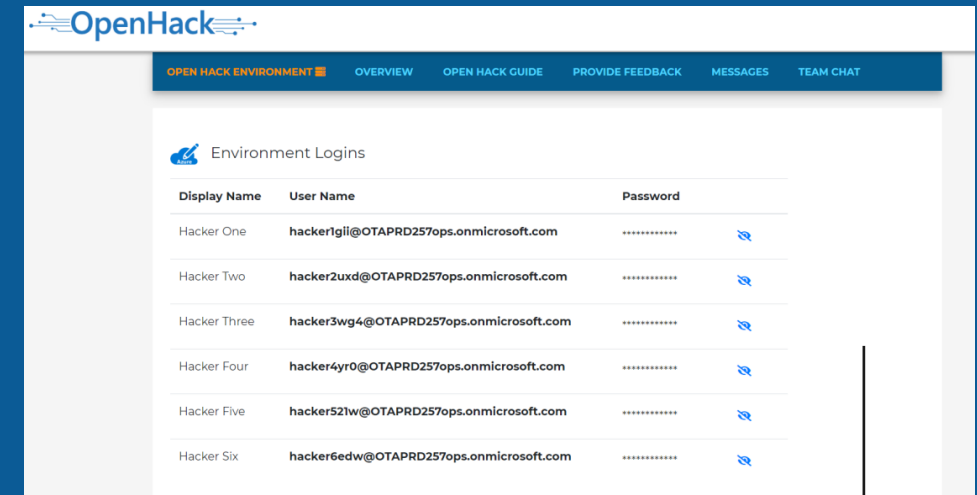

The screenshot shows the 'OpenHack' website interface. At the top is a navigation bar with the 'OpenHack' logo and several menu items: 'OPEN HACK ENVIRONMENT', 'OVERVIEW', 'OPEN HACK GUIDE', 'PROVIDE FEEDBACK', 'MESSAGES', and 'TEAM CHAT'. Below the navigation bar, there is a section titled 'Environment Logins' with a sub-header 'Environment Logins'. Under this header is a table with three columns: 'Display Name', 'User Name', and 'Password'. The table lists six hacker accounts, each with a unique email address and a masked password. To the right of each password is a small blue icon of a key, indicating that the password can be revealed or shared.

Display Name	User Name	Password
Hacker One	hacker1gli@OTAPRD257ops.onmicrosoft.com	*****
Hacker Two	hacker2uxd@OTAPRD257ops.onmicrosoft.com	*****
Hacker Three	hacker3wg4@OTAPRD257ops.onmicrosoft.com	*****
Hacker Four	hacker4yr0@OTAPRD257ops.onmicrosoft.com	*****
Hacker Five	hacker52lw@OTAPRD257ops.onmicrosoft.com	*****
Hacker Six	hacker6edw@OTAPRD257ops.onmicrosoft.com	*****

**If anyone ever needs to find their username and/or password, they may revert to the Open Hack Environment tab.**

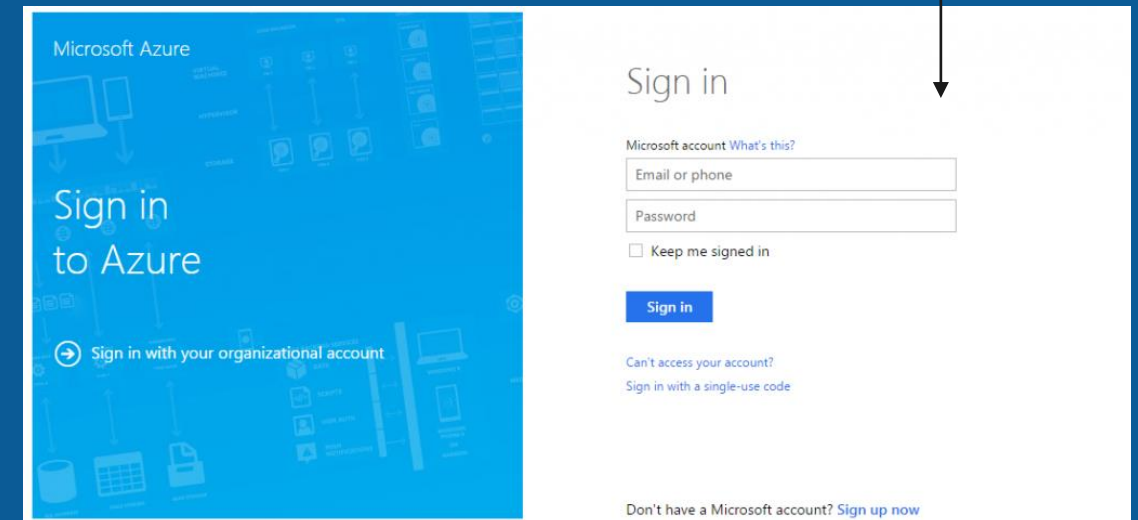

# Logging in to the Azure Portal

- The next step is to take those Azure portal credentials and start working with Azure.
- So navigate from [openhack.skillmeup.com](https://openhack.skillmeup.com) to [portal.azure.com](https://portal.azure.com) and enter your specific assigned Hacker credentials there.

The screenshot shows the 'OpenHack' logo at the top left. Below it is a navigation bar with links: 'OPEN HACK ENVIRONMENT', 'OVERVIEW', 'OPEN HACK GUIDE', 'PROVIDE FEEDBACK', 'MESSAGES', and 'TEAM CHAT'. The main content area is titled 'Environment Logins' and contains a table with columns 'Display Name', 'User Name', and 'Password'. There are six rows, each representing a hacker account. Each row has a blue link icon to the right of the password field.

Display Name	User Name	Password
Hacker One	hacker1gil@OTAPRD257ops.onmicrosoft.com	*****
Hacker Two	hacker2uxd@OTAPRD257ops.onmicrosoft.com	*****
Hacker Three	hacker3wg4@OTAPRD257ops.onmicrosoft.com	*****
Hacker Four	hacker4yr0@OTAPRD257ops.onmicrosoft.com	*****
Hacker Five	hacker52lw@OTAPRD257ops.onmicrosoft.com	*****
Hacker Six	hacker6edw@OTAPRD257ops.onmicrosoft.com	*****

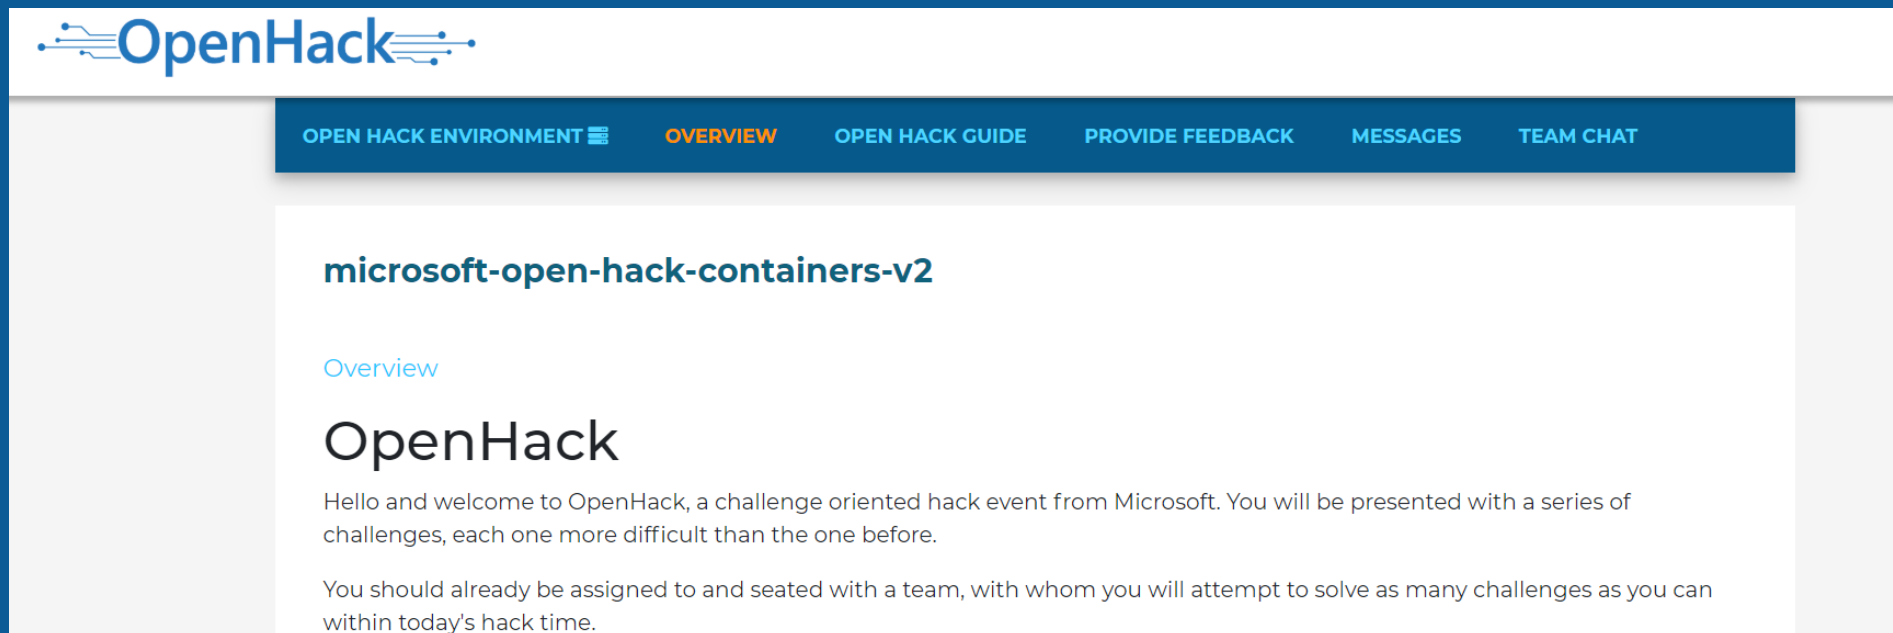

The screenshot shows the Microsoft Azure sign-in page. On the left is a blue sidebar with the text 'Microsoft Azure' and 'Sign in to Azure'. Below this is a link 'Sign in with your organizational account'. The main content area is white and titled 'Sign in'. It contains a form with two input fields: 'Email or phone' and 'Password'. Below these is a checkbox labeled 'Keep me signed in'. A blue 'Sign in' button is positioned below the checkbox. At the bottom of the form, there is a link 'Can't access your account? Sign in with a single-use code'. At the very bottom of the page, there is a link 'Don't have a Microsoft account? Sign up now'. An arrow from the 'Sign in' button in the OpenHack table points to the 'Sign in' button on this page.

# Overview

The **Overview** tab will give you the full overview of what this OpenHack is going to be about. Please read carefully.

# Open Hack Guide

The **OpenHack Guide** tab is where you will find each challenge for the OpenHack. As you complete each challenge, check the Mark Complete box and wait for your Coach's approval to move on to the next challenge.

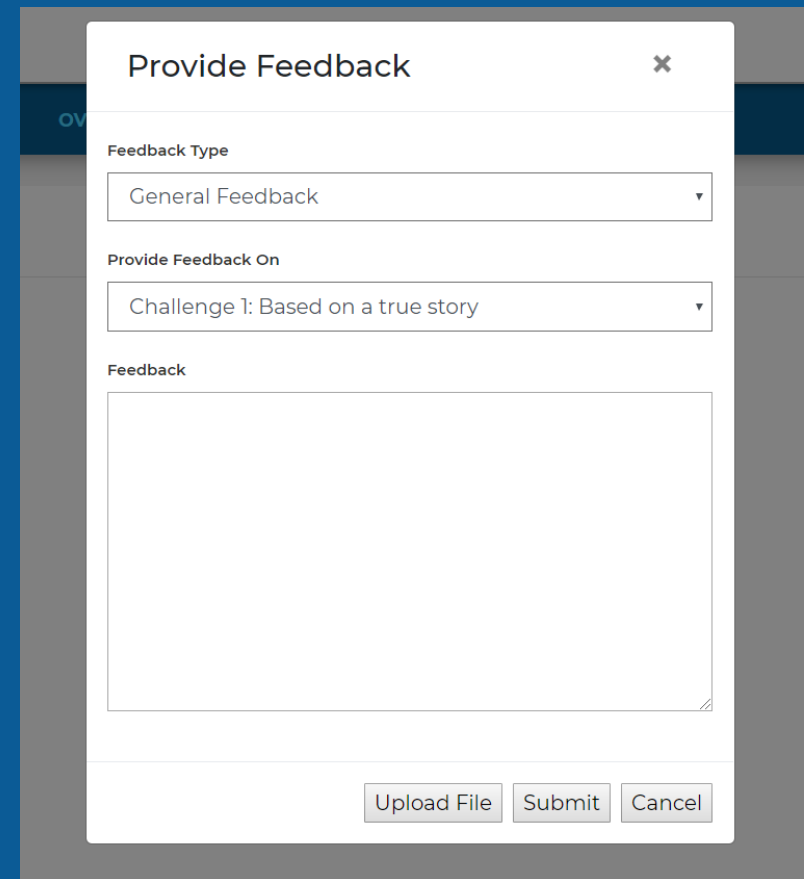

# Provide Feedback

The **Provide Feedback** tab will allow you to add feedback as you work through the challenges.

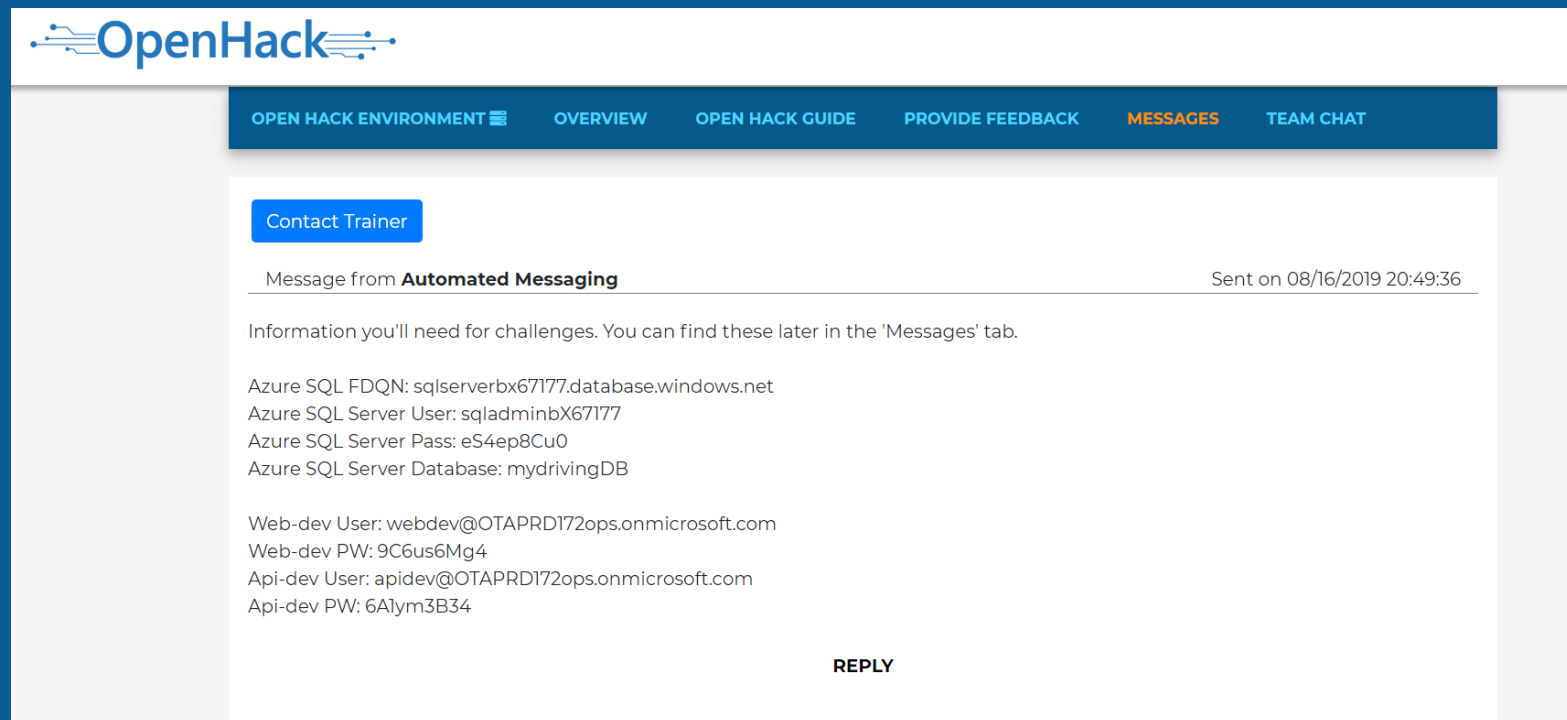

**A dialog box will pop-up once you click on Add feedback. Please feel free to share any and all feedback - this is how we continually improve the OpenHacks!**

A screenshot of a 'Provide Feedback' dialog box. The dialog box has a title bar with a close button (X). It contains three sections: 'Feedback Type' with a dropdown menu showing 'General Feedback'; 'Provide Feedback On' with a dropdown menu showing 'Challenge 1: Based on a true story'; and a large text area for 'Feedback'. At the bottom, there are three buttons: 'Upload File', 'Submit', and 'Cancel'.

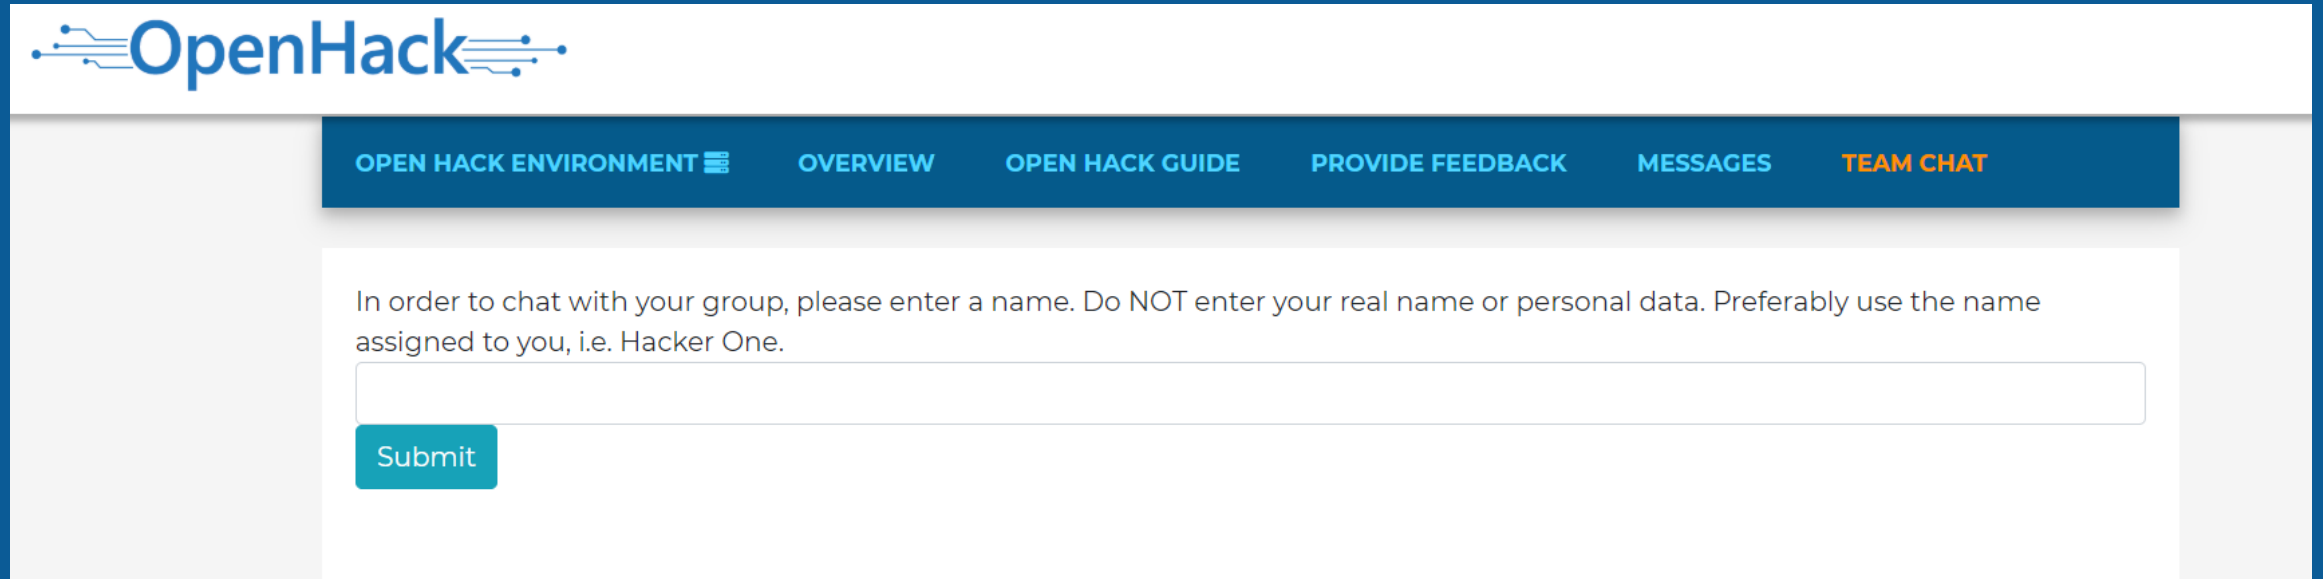

# Messages

The **Messages** feature is used to send messages to your coach and retrieve any messages you may need to revert back to throughout the challenge.

# Team Chat

The **Team Chat** feature will help you communicate with your team through the portal.

The screenshot shows the OpenHack portal interface. At the top is the OpenHack logo. Below it is a navigation bar with links: OPEN HACK ENVIRONMENT, OVERVIEW, OPEN HACK GUIDE, PROVIDE FEEDBACK, MESSAGES, and TEAM CHAT. The TEAM CHAT link is highlighted in orange. The main content area contains a text prompt: "In order to chat with your group, please enter a name. Do NOT enter your real name or personal data. Preferably use the name assigned to you, i.e. Hacker One." Below this prompt is a text input field and a teal "Submit" button.

# Badges

# Receiving a Badge

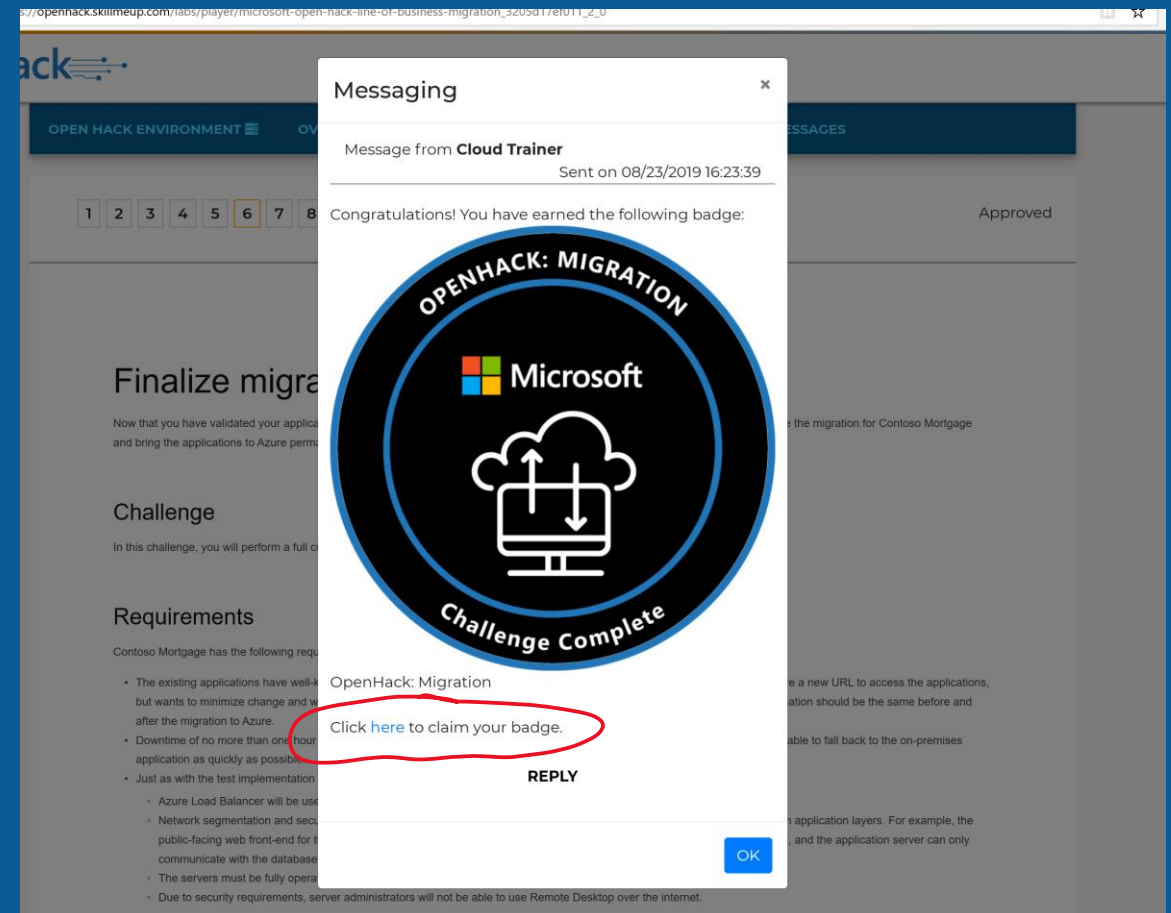

When you reach a Mark Complete on a sufficient challenge level, you will receive a badge for the OpenHack!

# Claiming a Badge

- Once your coach approves you, you will receive your badge (in a pop-up box).
- Click "here" to claim your badge.

Note: clicking "OK" will not allow you to claim your badge. You must click "here". If you accidentally click "OK" or "X-out", don't worry, just ask your coach to re-issue you your badge.
